20FT COOL ROOM

ROOM

20ft Cool Room

SCF's 20ft Cool Room shipping container delivers superior temperature control for short and long-term storage. Intelligent insulation design provides optimum refrigeration properties to reduce machinery run time, electricity use and costs.

Key Features

- Custom SCF insulation design for premium thermal performance
- 2 Australian pallet wide
- Vertical Sliding Load Bars - to double stack pallets
- Emergency siren
- Internal release emergency door
- Ease of access entry door
- Internal LED lights

Options

- Airflow or flat floor
- Ramp

Details

SCF's 20ft Cool Room container provides superior onsite temperature controlled storage for temperature sensitive goods.

Utilising the proven technology in our larger 41ft, 46ft and 48ft refrigerated containers, the smaller unit provides greater flexibility for limited space, short-term events or those with smaller storage needs.

The Cool Rooms come with F-Tracks to secure freight whilst in transit. This is complimented by internal scuff plates and flush mounted components to reduce damage to the inside of the container. Internal luminescent exit safety stickers ensure the safety of your staff.

The unit can also be used to transport or store up to 16 pallets with the addition of vertical load bars. Available for hire or sale, these cool rooms are a flexible solution for keeping your goods at temperature.

Built with superior temperature control and insulation, temperature is efficiently maintained with reduced machinery run time, reducing electricity use and costs.

SCF is a supplier to Australia's leading logistics companies. Coupled with our +25 years experience, we fully understand the importance of reliable, economical and fail-safe refrigeration.

Our range of refrigerated shipping containers are designed specifically with the end user in mind and offer flexibility in capacity options and sizes to suit your requirements.

Specifications

20ft Cool Room

Specifications may vary

	Internal		External
Length (mm)	5,468	Length (mm)	6,058
Width (mm)	2,375	Width (mm)	2,500
Height (mm)	2,580	Height (mm)	2,896

Weight

Tare (kg)	3,740
Payload (kg)	31,260
MGW (kg)	35,000

Top:
Store your temperature sensitive goods in an SCF Cool Room.

Middle Left:
Available in Thermo King or Carrier motors.

Middle Right:
Internal lighting, alarms and emergency exits.

Below:
Ideal for short or long-term storage solutions - during relocations or busy periods when stock levels increase.
