

# 20FT INDIVIDUAL TOILET BLOCK

Ensure your team are not left waiting for the 'vacant' sign - Maximise your on site hygiene solutions with SCF's 20ft Individual Toilet block, comfort and convenience has never been easier.

#### Details

SCF's Individual Toilet Blocks are the 5 private cubicles of your dreams. Insulated for optimum temperature control, fitted with hot and cold water, functional windows to improve natural airflow and compliant with all Australian standards and the National Construction Code 2013 - what a relief.

Every Individual Toilet Block comes with power and lighting and is built with the same high-quality materials as our standard containers and portable buildings.

Our construction range thrives in harsh environments. Built from steel (including steel doors) with high quality fittings, our units are designed to last.

#### Key Features

- Australian Certified appliance inlet
- Individual hot water system
- Vents and exhaust system
- 'Plug and Play' plumbing for quick and easy deployment

#### Options

- Custom container modifications available to suit your needs
